

## *Mother Seton Awards Ceremony*

In 1986, the Diocesan Home and School Association established the Mother Seton Award to honor those individuals who have shared their gifts through exemplary service. The sharing of these gifts strengthens our Catholic school system and our community. The benefit of the relationship between home and school is evident in the students by helping to provide Christ-centered education, building upon the solid roots set forth by family and faith.

### *Mary Miller*

#### *Redemptorist St. Gerard School*

Mary Miller was a 1985 graduate of Redemptorist High School. She always puts others before herself and is one of the most selfless ladies I know. I reached out to her to help clean up our school and she did exactly that. She contacted several Redemptorist graduates and others and on a Saturday. During that time they spent all day cleaning and painting our school. This would not have been possible without Mary. She truly enjoys helping others. To be a friend of Mary's is truly a blessing..

The administration, faculty, staff and student body are pleased to welcome "The Advancement Team of Redemptorist St. Gerard Catholic School" back home. This team consist of Father Tat, priest, Cheryl Domino, principal, bookkeeper and twelve alumnus. The Advancement Team has been very instrumental in providing much support with brightening our building with better lighting throughout the school as well as the cafeteria. This remarkable group have also assisted with the removal of asbestos around heaters, set up tutorial labs and funded scholarships for many disadvantage students.
