**EBRPSS Transportation Reopening Guidelines
2020-2021**

The East Baton Rouge Parish School System Transportation Department will follow CDC, state, and local guidelines regarding the reopening of schools for the 2020-2021 school year.

I. Phase I

- Keep every other seat empty (one per seat).
- Maximum capacity should not exceed 25%, including adults (17 students per bus).
- Members of the same household may sit together.
- Windows should be open to increase airflow.
- High-touch surfaces are cleaned after each group's use.
- Bus operators are responsible for cleaning and sanitizing their buses at least once per day.
- Bus operators, bus aides, and students must wear masks.
- Buses must be equipped with hand sanitizing station.

II. Phase II

- Maximum capacity should not exceed 50%, including adults (35 students per bus)
- Members of the same household may sit together.
- Windows should be open to increase airflow.
- High-touch surface are cleaned after each group's use.
- Bus operators are responsible for cleaning and sanitizing their buses at least once per day.
- Bus operators, bus aides, and students must wear masks.
- Buses must be equipped with hand sanitizing station.

III. Phase III

- Maximum capacity should not exceed 75%, including adults (52 students per bus)
- Members of the same household may sit together.
- Windows should be open to increase airflow.
- High-touch surface are cleaned after each group's use.
- Bus operators are responsible for cleaning and sanitizing their buses at least once per day.
- Bus operators, bus aides, and students must wear masks.
- Buses must be equipped with hand sanitizing station.

Thanks,
