RSG Home & School Association

What is Home & School?

Home and School Association plays an important role in a school. It helps to live out our mission. It helps to provide experiences to educate the whole child through the funds the organization raises from different school events.

By providing financial assistance to the school, organized social functions, and extracurricular educational programs, our students are able to directly and positively benefit from the services provided by Home and School Association. The Home and School Association is built as a partnership between the school and the parents as well as other volunteers that help to build a strong community.

What do we do?

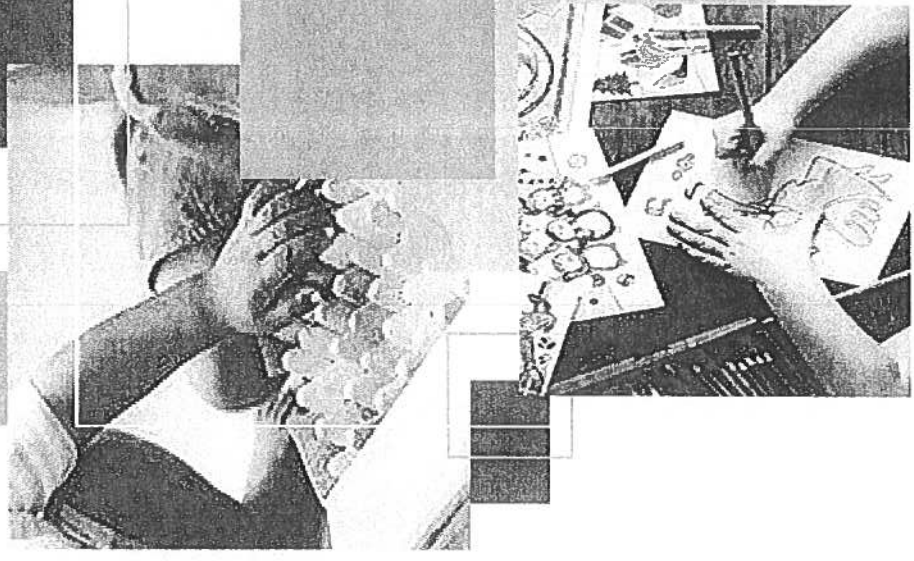

It is a volunteer association—this association is run entirely through volunteers like YOU!

There are many committees that work throughout the year to bring the best possible events and happenings to our students at Redemptorist St. Gerard.

Home and School Association hosts fundraisers throughout the year to help support the school.
