Dear Parents,

Staying safe this Labor Day weekend will require more thought and attention than usual. This simple checklist can help you and your family stay safe.

Stay vigilant when it comes to preventing the spread of infection, especially while traveling:

- \* Avoid large gatherings, especially indoors
- \* Maintain safe social distancing of six feet or more
- \* Keep masks on unless eating or drinking
- \* Wash hands often and thoroughly
- \* Stay home if you don't feel well or if you are considered a high-risk person for contracting COVID-19

If you or a family member suspect you have COVID-19 or need testing, contact your physician's office to schedule the option that's best for you. So enjoy the holiday weekend, stay vigilant about your family's safety, and don't hesitate to call on us.
