Prayer of Love "Be completely humble and gentle; be patient, bearing with one another in love." 1 Peter 4:8

Dear God,

Thank you that you are a loving, gracious God. Thank you that you've offered us forgiveness and the gift of new life in you. Thank you that your love is perfect, it never fails, and that nothing can separate us from your love.

We pray that our lives would be filled and overflowing with the power of your love so we can make a difference in this world and bring honor to you. We ask for your help in reminding us that the most important things are not what we do outwardly, it's not based on any talent or gift, but the most significant thing we can do in this life is simply to love you and to choose to love others.

Lord, words do not express my thankfulness. For Your mighty power is at work in me, transforming me, renewing my mind.

To You Lord belongs thanks eternally.

- Amen -

Progress Reports – February 5th

Interim (or progress) reports present the interim, preliminary, or initial evaluation findings. They are designed to the specific need of the student. The interim progress reports are necessary to let the student and parents know how the students are functioning in class and how well they are understanding as well as comprehending the content and information being taught. Parents, it is advised that you go over your child's progress report with them to ensure that they understand their grades. If there are any discrepancies, please don't hesitate to contact the front office, Ms. Oliver or the teacher.
