Happy New Year!!!

Dear RSG Families:

Let me begin by wishing you all a Happy New Year filled with many successes and continued progress. During the winter break, I hope you had a chance to catch up with friends and family and enjoy some rest and relaxation. I certainly spent time reflecting on 2022 and think about the work and opportunities that lie ahead in 2023.

As we approach the holiday honoring Dr. Martin Luther King, Jr., Dr. King's work, and his legacy, I am reminded of one of my favorite quotes of his, "Our lives begin to end the day we become silent about things that matter."

One of the things I appreciate most about our Redemptorist staff is that we are not silent about the things that matter and together we continue to provide a service for our children and families. At Redemptorist, we place great value on seeing our students showing continued success and academic progress as they move through their academic journey. I am excited to begin our work for the second half of the school year to ensure that learning continues. As we ring in the New Year, we see this as an opportunity to check in with students and families to ensure that our students are on-track, prepared and ready for the second half of the year, Beacon, LEAP, and Terranova equipped and are motivated for unforeseen challenges. What I have observed, as we approach the midpoint of the school year, is that students are academically stronger and that our instructional and support team remain energized.

RSG continues to strive to become a school focused on educational equity and find unique and innovative ways to partner, support and create opportunities that make our neighborhood school a place where all children can enjoy learning, develop strong relationships, and continue to grow each day socially, emotionally, and academically. As always, thank you for your continued support.

Warm Regards,

Ms. Cheryl Domino

New Year's Prayer

Lord, you make all things new. You bring hope alive in our hearts and cause our Spirits to be born again. Thank you for this New Year and for all the potential it holds. Come and kindle in us a mighty flame so that in our time, many will see the wonders of God and live forever to praise your glorious name. Amen

We are asking each student to bring Community Coffee UPC labels and turn them in to their homeroom teacher. Thanks for your continued support!!!
